# Serve The Angel Food Cake That Is Out Of This World

Purity Baking Company Angel Food Cake fits the growing trend towards light and nutritious desserts.

They're made the old-fashioned way – with 9 egg whites per cake whipped to perfection and without any stabilizers – for a delicate, moist texture that's perfect every time.

Offer Un-iced Angel Food Cake topped with luscious fruit for a heavenly taste treat or create a signature dessert using your favorite icing. Any way you serve them, Purity Baking Company Angel Food Cake is an out-of-this world treat!
